

October 25, 1963

Mr. Edward J. Logan
Administrator
Milwaukee Children's Hospital
1700 West Wisconsin Avenue
Milwaukee, Wisconsin

Dear Mr. Logan:

On behalf of the members of the Milwaukee Academy of Surgery I would like to thank you for the use of Children's Hospital's auditorium the evening of October 21.

This was the first scientific meeting of our new society. All of us who have sponsored the society feel that it should become a valuable part on the surgical scene in Milwaukee. We appreciate very much holding the first meeting at Children's Hospital.

Sincerely yours,

Albert G. Martin, M.D.
Secretary-Treasurer
